

U.S. Department of Energy

National Energy Technology Laboratory

August 25, 2005

Ramgen Power Systems, Inc
11808 Northup Way Suite W-190
Bellevue WA 98005
Attn: Aaron Koopman

Dear Mr. Koopman :

Evaluation of your application entitled "CO2 Compression Using Super Sonic Shock Wave Technology" received in response to Funding Opportunity Announcement No. DE-PS26-05NT42380-4, entitled "Enabling Turbine Technologies for High-Hydrogen Fuels" has been completed in accordance with the application review information contained in the announcement.

After a careful review of your application, I am pleased to inform you that your application has been selected for negotiations leading to award. In accordance with the Funding Opportunity Announcement, the following documents must be received prior to negotiations:

- Environmental Questionnaire (NEPA)
- Pre-Award Accounting System Survey
- Civil Rights Compliance Documentation

These documents can be found on the NETL website at the following address:
http://www.netl.doe.gov/business/Financial%20Assistance/forms-fa.html#POST_SEL

Angela Harshman, a contract specialist from the Acquisition and Assistance Division, will contact you shortly regarding the process of negotiating an award. The above requested documents must be sent to Ms. Harshman via email or postal mail at the Pittsburgh letterhead address below within 14 calendar days from the date of this letter.

On behalf of the Department, I would like to express a sincere appreciation of your interest and participation in this program.

Sincerely,

Raymond D. Johnson
Contracting Officer
Acquisition and Assistance Division
